MCDB 4550/5550
Molecular and Cellular Biophysics
Perkins
Assignment #4
Due Thursday, Feb. 12th at the end of class

Please write out three well thought out questions about the literature paper to ask the presenters (and to hand in).

Problems set #4:
Everyone: 4.1, 4.6 (show your work and note the answer in the book is wrong by a factor of 2)

Grad. students: 4.2, 4.4, 4.7
