

Did you know over 1.7 million scholarships are awarded nationally each year but only 7% of college students receive a scholarship? Many don't even know to apply!

Have you applied????

In particular, be SURE to apply (each year!) to the APS Undergraduate Scholarships at the last link above! These are scholarships chosen DIRECTLY by your faculty in the APS Department!!

The applications opened Nov. 1, 2022 for the 2023-24 school year with most applications due between Feb. 15 - March 15.
